# SAFETY SIGNS & DECALS

Century Graphics & Sign manufactures a full range of durable, OSHA-headed and application-specific safety signs with English, Spanish, and bilingual language options. We offer standard materials and sizes, as well as semi-custom and custom options on all products. Our safety signs are made to comply with OSHA regulations and can be made to custom specifications for your company's needs. We'll design the sign to fit your needs, and we can add any phone number(s) you may require.

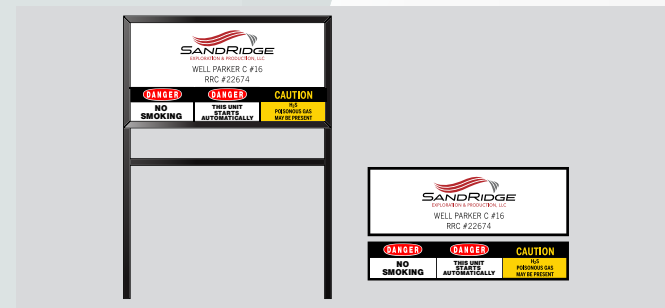

## LEASE SIGNS

Our oilfield lease signs are made from aluminum with a baked-on enamel finish and backgrounds are available in a broad range of colors. We do not charge set-up fees for producing a company logo. Logos can be screen printed on both engraved and ink-filled signs with a thermosetting acrylic enamel and baked in a high-temperature conveyor curing unit for maximum outdoor durability.

### Engraved

All lease information is engraved directly into the aluminum, providing an extremely durable product.

Lease with Multi Sign

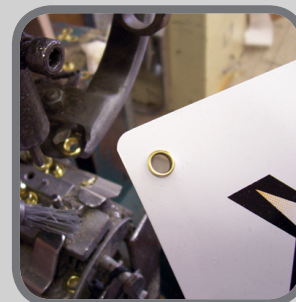

### Ink-Filled

Engraved lease information can also be ink-filled with select color options to match your company's branding.

Frame detail

(powder coated finish)

Grommet detail

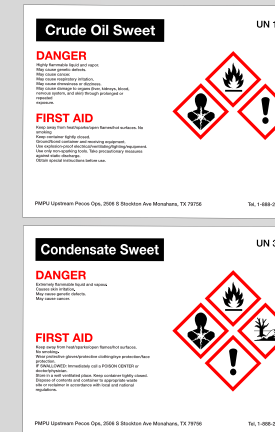

## Hard Hat Decals

Recognize employee certifications and accomplishments or showcase your company's logo with durable, self adhesive vinyl labels. Custom die cut shapes are available for any size or shape.

## GHS Labels

The GHS is the most optimal system for standardizing and harmonizing the classification and labeling of chemicals. Defining the health, physical and environmental hazards of chemicals.

## Pin Flags

Bright-colored vinyl pin flags are visible at long distances and are ideal for temporary outdoor marking.

## Multi Safety Signs

Our multiple safety signs are the perfect solution for your safety signage needs. We combine all of the safety signs you need for your particular location into one easy to read, convenient sign.

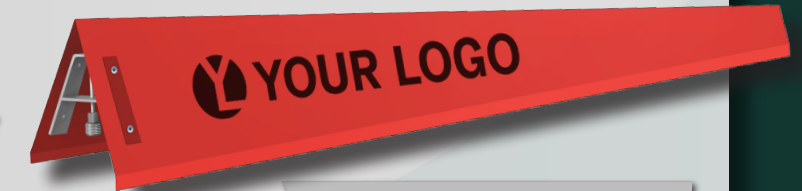

## Windssocks

Our windssocks are made from heavy weight nylon material. They come double-stitched and grommeted for strong wind resistance.

## Wind Arrow

This extremely durable yet lightweight wind direction indicator is highly visible and reacts swiftly to changing wind directions. Century manufactures the wind arrow from field proven materials that have been used in the oil patch for years with great success.

\*Reacts to wind as low as 4MPH

shop online and build your own sign at [centurygs.com](http://centurygs.com)

## Lockout Tags

Use lockout tags to disable equipment or pipelines and vessels prior to maintenance, cleaning, or inspection. Lockout tags allow you to identify everyone working on the line.

## Job Site Signs

Our portable job safety and compliance signs are great for getting the safety warnings or direction indicators from job site to job site. Our frames are made using 1" or 1 1/2" angle iron, and have a welded hinge & chain for long-lasting strength and durability.

## Pipeline Markers

Our utility markers are designed for outdoor durability in harsh conditions, and sharply printed with permanent UV resistant inks in bright AWPA colors. Our standard format can be semi-customized with your company name, address, phone number and company logo.

- Pipeline Marker Labels
- Fiberglass Markers Stakes
- Utility Marker Signs
- U-Channel Mounting Posts
- Dome Pipeline Markers

Custom sizes are available upon request.

## Aerial Markers

Our Aerial Markers are specially designed for locating and determining the direction of transmission systems. Choosing a Century Aerial Marker maximizes visibility of pipelines or cable routes, increasing the speed and efficiency by which the damage can be found and repaired.

## NFPA Decals

Our decals and signs are made from materials selected to ensure maximum outdoor durability. Choose self adhesive vinyl or rigid aluminum signs. Frames are available for all of our signs.

\*Ask about our Dura-Haz labels for the harshest environments

# CORPORATE APPAREL

Century Graphics & Sign offers custom screenprinting and embroidery services for thousands of apparel items. Our screen print department doesn't do just t-shirts, we can also customize your high visibility and safety wear with your company logo or message. This allows your employees to look official and stay within your company protocols, while maintaining necessary safety standards. For the items that we cannot screen print, custom embroidery is offered.

## Embroidered Clothing

Century Graphics offers custom embroidery services on a large selection of apparel for men and women. Embroider your employee uniforms to give them a more professional look.

Embroidered caps make great employee and customer gifts. We offer free digitizing for cap designs and can also add special touches like puff embroidery or metallic thread. With hundreds of thread colors to choose from, you can be sure your company's logo or design will be represented at its best.

## Custom Caps

With over 80 embroidery heads, we can produce orders of any size and offer quick turn around times.

# UNIFORMS & WORKWEAR

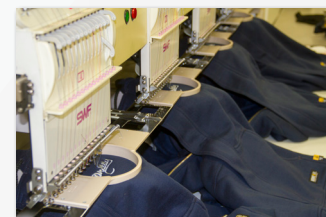

We can customize your high visibility and safety wear with your company logo and even personalize it with your employee's name. We can screen print or embroider most items, and can add reflective tape when needed. We carry name brands such as Carhartt, Bulwark, Dickies, Tumberland, Red Kap, Berne Apparel and Big Bill.

## FR Clothing

At Century, our Flame-Resistant (FR) clothing helps protect workers from burns caused by electric arcs, open flames or flash fires. With these, we also offer flame resistant embroidery thread to maximize your uniform safety.

## Embroidered Workwear

When it comes to workwear, we have everything you are looking for. We want your employees to look professional, feel good, but most importantly, be safe in anything they wear on the jobsite. Choose from our large selection of work shirts, jackets, hoodies, bibs & coveralls, pants & jeans. Each one of these products is available in both men's and women's sizes.

**ARIAT®** Now in stock

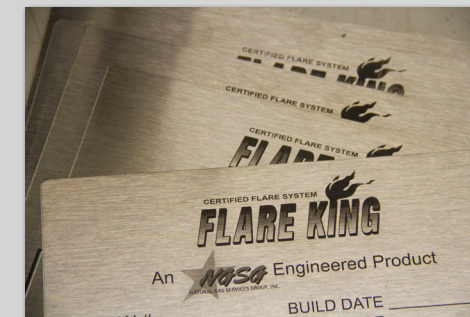

# PROMOTIONAL ITEMS

From mugs to watches and office supplies to duffel bags, we offer thousands of customizable items perfect for promoting your company's name. Whether you need something for a special promotion, event, or trade show, we can find the perfect item for you. We are experts on Safety Award and Employee Incentive/Recognition Programs.

## Laser Engraving

- Cutting Boards
- Tumblers
- Plaques
- Mini Lease Signs
- Watches

## Employee Incentives

We have everything you need to recognize employee safety milestones, goals and awareness on the jobsite. There is no need to wait until National Safety Month to present your employees with these products, we offer these year round.

## Promotional Items

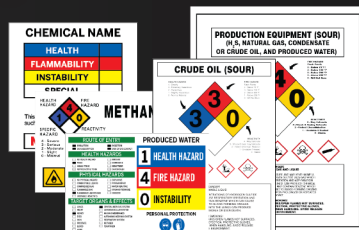

- Pens
- Planners
- Calendars
- Drawstring Bags
- Pocket Knives
